EDUCATION

Edinburgh napier

july 2018 - 31 october 2019

EQF Level 5 in software Development

Priesthorpe Sixth Form

september 2006 - july 2008

A-levels in Mathematics, Biology and Geography

EXPERIENCE

Halifax — Customer service/ Online Banking Advisor

January 2015 - March 2017

I helped out many customers everyday. I had to remain calm and manage customer expectations while helping them with their banking or online problems.

Berkeley-Scott — Hospitality Worker

June 2014 - December 2015

I worked in many different environments ranging from football stadiums to hotels and weddings working in many different rolls in the hospitality industry. this required me to be highly adaptable to new environments and quickly learn what was essential to performing in these rolls effectively.

Traveling jobs

October 2012 - June 2014, March 2017 - July 2018

I Have worked many short term jobs while traveling, the two most substantial of these were with Dogsledding Iceland and Holiday Break. By the end of my time with Dogsledding Iceland I was left in charge of all tours and responsibility for all dogs. This was a 24 hour job where I was expected to put the needs of the dogs before my own.
